

TORRES DEL PAINE  
CONSERVATION RESERVE

# Trip itinerary

## THE INVITATION

Uncover the power of Torres Del Paine Conservation Reserve over an intimate four-day site and explorations. This comprehensive itinerary provides an excellent opportunity to explore the Reserve and learn about our proposal to protect this pristine and wild territory.

This project combines top-level conservation in partnership with The Nature Conservancy and Microsoft. It offers the opportunity to become a shareholder with benefits in the Explora Lodge network and the chance to own an exclusive lot to build a dream house in Patagonia.

Delve into the heart of the reserve's stunning 6,000 hectares (11,500 acres) and explore its diverse habitats and sustainable infrastructure. Every detail of this journey has been meticulously curated, from engaging in conservation talks to participating in diverse exploration activities. Meet like-minded individuals and gain an in-depth understanding of this groundbreaking project.

### Trip 1

September 29th to October 2nd  
2024

### Trip 2

October 2nd to 5th  
2024

### Trip 3

October 16th to 19th  
2024

## THE ITINERARY

### DAY 1

#### Arrival and introduction to the Explora Torres Del Paine Lodge

**Morning:** Arrival in Puerto Natales. An Explora representative will warmly welcome our guests and arrange transportation to our lodge, where we will have a brief introduction to Torres del Paine and the Explora philosophy.

**Afternoon:** After lunch, we'll explore one of Earth's most incredible destinations, offering an initial insight into the stunning Patagonian environment.

**Evening:** Welcome dinner at the lodge, preceded by an introduction to the history, significance, and importance of protecting the ecosystem of the Torres Del Paine Conservation Reserve.

### DAY 2

#### Activities in the Torres del Paine National Park

**Morning:** Begin the day with a guided horseback ride or a hike through the territory, taking in the breathtaking landscapes of the Torres del Paine National Park.

**Afternoon:** We will conduct further exploration of the areas impacted by the 2011 forest fires, gaining insight into the potential damage inflicted on delicate ecosystems when human intervention lacks sustainability measures. Following this, we will participate in a talk on the local flora and fauna, led by our expert guides.

**Evening:** Dinner and planning for the next day's explorations, spending the night at our Torres del Paine Conservation Reserve.

## DAY 3

### Exploring the Torres Del Paine Conservation Reserve

**Morning:** Begin the day in the Torres del Paine Conservation Reserve.

**Afternoon:** We'll venture into the Reserve either on horseback or by foot, allowing us to explore its vast expanse and visit its world-class infrastructure. During this exploration, we'll have the opportunity to inspect specific lots available for purchase, where we'll detail their potential uses and benefits to potential investors. Additionally, we'll attend a conservation talk, providing firsthand insight into the ongoing efforts within the Reserve. Afterwards, we'll enjoy a Patagonian barbecue before returning to the lodge.

**Evening:** Time for relaxation at the lodge.

## DAY 4

### Departure

**Morning:** Breakfast at the lodge. Enjoy a spa treatment or a half-day exploration in the Torres del Paine National Park.

**Afternoon:** Transfer back to Puerto Natales for the departure of light back to Santiago.

**Evening:** Farewell dinner.

This updated itinerary is designed to offer a holistic perspective of the Explora Torres Del Paine Lodge and Conservation Reserve, highlighting its natural beauty and conservation efforts.

**We hope to see you there.**
